

Directions to the Clarendon Team Churches

St Mary's ALDERBURY

From the top end of the village:

(first exit off the A36, heading out of Salisbury; back road to Downton signposted on your right; Green Dragon pub on your left as you enter the village).

At the cross roads signposted Clarendon Park/Farley, turn right. (If you are coming up from Clarendon Road, head straight over). Wiggle down this back lane (called Folly Lane), until you meet another lane and reach a 'give way' point. There is a newly built thatched cottage here on your right. Turn right and head down the hill, taking care on the sharp bend. St Mary's Church will shortly appear on your right and there is a car park up a short gravel slope, again on the right-hand side of the road, just beyond the church.

Alternatively:

Keep on the main road through the village and instead of Folly Lane, take the next right hand turn – Light's Lane (signposted 'to the church'). Wiggle up and around Light's Lane (with no need to give way) until, after the sharp bend, the church and the car park appear on your right.

From the bottom end of the village:

Coming off the A36, enter the top end of the village, passing the Village shop and Post Office on your right. Keep on the main road, passing the village hall and recreation ground on your left and a very small village green with village sign on your right. Turn left up Light's Lane (signposted 'to the Church') and make your way up and over the small hill, which has a sharp bend at the bottom of it. Soon after the bend the church can be seen on your right and the car park is up a short gravel slope, just past the church, again on the right-hand side.

Holy Trinity EAST GRIMSTEAD

From Winterslow, take the Livery road from West Winterslow. Follow to the end and turn left at the T junction. Follow through the village, down the hill and out to the edge. The church is on the right before a sharp left following Dean road.

From Alderbury, take the Clarendon road to West Grimstead, take Butter Furlong Road under the railway bridge. At the T junction turn right onto Long Drove. After 1 mile, in East Grimstead, turn right at the T junction. The church is 300 metres on the right just before the road takes a sharp left turn on Dean Road.

From West Dean, take the road to the West (Dean Road) and follow it to East Grimstead. The church is straight ahead as the road takes a sharp right bend just before arriving in the village.
